FIGHTING GAS TAX DIVERSION.

Diversion of gasoline tax money from its original purpose of road building and maintenance is a live question in Georgia as well as in Florida.

To acquaint Georgians with the situation that confronts them, the Citizen Road League of Georgia was organized recently and already it is broadcasting some surprising information.

Thomas C. Hull, the executive director,

told a recent meeting that if the highways were properly built and safety devices installed it would mean the saving of 285 lives and check the economic loss of 14 million dollars a year, on the basis of the average number of deaths and injuries on Georgia highways. Forty per cent of the deaths are due to imperfect construction and lack of safety devices on the roads, he asserted.

Formation of the Georgia group is only an extension of what has become a popular movement of widespread proportions. Everywhere people are demanding results to meet modern traffic conditions. And they are insisting that the money collected from gasoline taxes shall be used to provide them.

The growing sentiment against diversion of gas taxes is something with which more and more legislatures, including Florida's will be compelled to reckon.—Palm Beach Post.

IMPORTANT LODGE SESSION

Everglades Lodge, No. 211, F. and A. M., will have an important meeting on next Tuesday night, when a delegation of visitors from Lake Worth and West Palm Beach will make a fraternal visit. There will be election of Building Commission officers, and the work of the Master's degree will be exemplified, and likely reports from the recent grand lodge session of Jacksonville. Refreshments will be served after the lodge session.

VOTE MOSQUITO CONTROL.

At the run-off election on May 28th, in addition to voting for final choice for political nominees the electors of Palm Beach County will also vote for or against the proposed Mosquito Control project for the county.

NEW LABELLE TEACHERS

Edward L. Eason, of St. Cloud has been elected principal of the LaRiffe Schools for the coming year, and Alan L. Stuckey, of Tampa, will become athletic coach and high school faculty member.

NEW FISH MARKET

The Upcheyns at Palmdor are adding a small addition to its grocery building on North Main street, which will be used for a modern fish market. Messrs. Upcheyns are one of the few Palmdor men who are still engaged in the commercial fishing trade in the lake at the present time.

Sunday, May 12, was open house at Florida Cypress Gardens in honor of Mother's Day. Dick Pope, manager of the Gardens, presented the thousands of visitors with a gardenia blossom.

Coast Fans Pleased With Joe's Performance

Joe Tom Boynton, of Canal Point, is sure making good with the Palm Beach Indians of the South Florida League, and has contributed largely to the fine standing of his team. Joe Tom is playing both outfielder and catcher, and his trusty bat and speed on foot have caught the approval of the east coast city fans. The Palm Beach Times carried a picture of Joe Tom in its Tuesday night's issue, and gave him an encouraging send off for his good ball playing.

Belle Glade Is Proud Of Its Water Record

Belle Glade is mighty proud of its water works and the record it has made during the time it has been in operation. At the present time the officials report that there are 452 water patrons, and that collections are up to date. During the past season the peak of the parking season around 5,000,000 gallons of water was pumped a day, as read from consumer's meters, in addition to

what was used by the city itself and that around 3,000,000 gallons are being used monthly at the present time. Although the storage supply for water has been materially increased, indications are that a third tank may be necessary within the year, if water service demands continue as at present.

IMPROVED CAFETERIA

The Belle Glade P.T.A. has named the following as chairman of the department of work for the coming school year: program, L. W. Bartlett; membership, Mrs. H. T. Holloway; publicity, Mrs. L. R. Basy; cafeteria, Mrs. E. T. Murphy; publications, Mrs. Walter Hooker; welfare, Mrs. J. E. Rashley; historian, Mrs. Thomas Bigger; grade mothers, Mrs. F. D. Stevens.

Mrs. Verne L. Vogel, of the state wide school luncheon project, addressed the members of the executive committee, and explained the WPA plan for school cafeteria and lunch, and how this government aid may be secured for schools desiring same. The Association has adopted the cafeteria as its main project for the coming school year, along lines suggested by the state official.

Who says you can't have EVERYTHING!

You can have V-8 performance—and gas economy, too!

An 85 h.p. Ford gave 24.92 miles per gallon in the annual official Gilmore-Yosemite road test, open to all cars. This was best mileage of all standard-equipped cars in this class!

You can have easy-handling—with big-car room and ride!

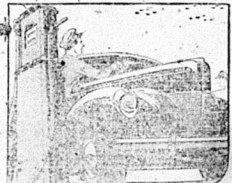

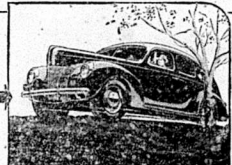

Everyone knows how easy it is to drive a Ford. But no one could know, till he gets inside, how big this Ford is in leg-room, seat-room, knee-room . . . nor what a thrillingly soft, steady, big-car ride it gives!

You can have low cost upkeep—and enjoy real fine-car features!

You shift gears on a Ford with the easy-acting type finger-tip-shift used on costly cars. You get a semi-centrifugal clutch giving lower pedal pressure at shifting speeds, also typical of costly cars . . . to say nothing of the biggest hydraulic brakes ever used on a low-cost car. Your Ford Dealer's ready and willing to trade . . . See him now!

YOU CAN HAVE A
FORD V-8

—and that's what you'll want when you try it!

Methodist Church, Mrs. Mary L. Sartorius, chairman, which was appointed to secure pews for the church, wishes to thank all who have subscribed to this cause. The money received, which leaves only a small amount yet to be raised, has been deposited in the bank as a special fund until such time as it will be sufficient to justify the purchase of the pews. In the event the balance of this money cannot be raised, the present contributions will be retained.

BENTLEY VISITS GLADES
B. O. Bentley, of Lakeland, who is one of the candidates in the run-off election for the position of Attorney General, made a political tour through the Everglades Thursday, making addresses at Belle Glade, Pahokey, Canal Point and Okechobee. Bentley

has a wide acquaintance in the Glades section and he gives a good, strong political talk, and shows that if he should be elected that he would without doubt make a good man as the head of the state legal department.

HAVE WIENER ROAST
Ten members of the Pahokey Boy Scout troop met with their Scoutmaster, W. M. Willis, at the government dock on Bacon Point road, Tuesday night, and there held a brief business session. Then came the feast of marshmallows and wieners which the lads surely enjoyed by the manner in which the viands disappeared. Mr. Willis read the order in connection with camping days at Lake Osborne, and the cost of same. Several of the local troopers will be present during the summer.

An hour of recreation was enjoyed around the camp fire and on the beach.

Special Program At Pahokee Church

The church of the First Methodist church, Pahokee, Sunday morning, was beautifully decorated with reasonable flowers for the prettiness in color and design. Mrs. William Tiffin, 74, was the oldest person present, and she presented a beautiful bouquet of flowers to the church. She is the wife of the late Mr. and Mrs. Benjamin Elliott, five adult children present. Mrs. Simonette was the youngest mother present, and she was given a beautiful bouquet. The youngest child present was Catherine Johnson, daughter of Mr. and Mrs. Gordon Johnson, a lot over seven months, and the new-born baby, named, Rev. Martin, the parish gave a most excellent sermon appropriate for the occasion.

Canal Point School—

(Continued from Page 11) Williams Marian Sears, George Tucker, Howard Altman, Kate Reeves, Zena Cox, Marie Stokes; boys' one quarter mile run, excluding groups one and two, Sam Scruggs and Donald Orle. Three eight-gal teams from each group also participated in a basketball relay race.

Special Award ribbons were given Monday to the boy and girl of each group who earned the highest number of points, based on number and kind of ribbons won. Winners of these Special Awards were: group one, Irvin Miller, Emily Hough, and Mary Roberts; group two, James Lat-

han, Myrtle Smith, and Virginia Turner; group three, Howard Sims, George Tucker, and Marion Stokes; group four Richard Howell, Marie Stokes, and Eleanor Chastain. There were ties for high place in groups one and two for girls' events, and in group three of the boys' events.

Officials for the girls' contests were Mrs. A. Q. Howell, Mrs. J. S. Harrington, and Mrs. F. M. Wilson; judges, and Mrs. Albert French, secretary. For boys' contests, L. J. Frazer, M. O. Slavens, and Delmar Hooks were judges, and S. B. Jordan, secretary. W. P. Dungan was field day general secretary and Mrs. G. H. Tucker, her assistant. Ribbons were made by Mrs. Fay Hawk.

Lions Hold Round Table Discussion

At the Tuesday luncheon of the Pahokee Lions club, the program hour was devoted to a round table discussion of future activities. Browning Beach was honored with election as club delegate to the International Convention to be held in Havana in July, and L. L. Shirley is the alternate. The club will organize a soft ball team for summer play with Northwood Glee club as the manager. A list of needed play ground equipment for the proposed play ground park was formulated and prices

obtained on same. The club is working hard for the new recreational center, to be assisted by the N.Y.A.

Florida National Exhibits will feature Louis Torres, 17-year-old high school student, who sings bass, at the second year of the New York World's Fair.

Re-elect

CHARLES O. ANDREWS

UNITED STATES SENATOR

Sen. Andrews has fought for and can be depended upon to

1. Keep the United States out of war, except in defense of the Monroe Doctrine, and sufficient preparedness to make such a conflict improbable.

2. The protection and development of Florida's agricultural products, particularly its winter fruits and vegetables, Sea Island cotton, and tobacco; the removal of all restrictions against the production of sugar in the State.

3. Permanent security for the deaf, the blind, the disabled; adequate provision for disabled veterans, their widows and dependents.

"... on account of his successful business record, I shall vote for and actively support him."

Frank O. Pruitt (former Paty Campaign Mgr. for Dade County)

Re-printed from "BEHIND THE FRONT PAGE" — Miami Herald, Wed. May 15th

"There's been a minor affair for several days that Frank O. Pruitt, who managed Paty's Dade county campaign, would join up with Whitehair in the second primary. I asked Frank what about it, and he admitted he was going to 'credit' for Mr. Paty's fine showing in Dade county properly belongs to the quality of our candidate and secondly to the small hand of volunteer men and women who worked in his behalf," said Mr. Pruitt. "I have been given more credit than I am entitled to. I can lay claim to but one vote, which is my own. In deciding which of the two candidates remaining in the race for governor to support, I found it a difficult decision. There are many elements to consider, but I think the paramount question is 'what man will make the best governor for all Florida and at the same time see that the lower East coast of Florida is not the left of any sectionalism. In my opinion, Mr. Whitehair will be that sort of governor and on account of his successful business record, I shall vote for and actively support him."
